HYROX is back in Cologne, and it's bigger and better than ever! Join us on April 13th and 14th for an adrenaline-pumping fitness extravaganza at the world's leading trade show for fitness FIBO in the heart of Cologne. This two-day event promises to be an unforgettable fitness adventure, with a special spotlight on relay teams on Sunday! As a special treat for our athletes, you'll enjoy full access to the FIBO fitness fair throughout the entire weekend.

Furthermore, the HYROX Cologne event is one of two Last Chance Qualifier Events! That means all Pro athletes have the chance to fight for the remaining qualification slots for the World Championships Races of the Elite 15 Series.

Mark your calendar and get ready to sweat, compete, and celebrate your fitness journey in the vibrant city of Cologne. HYROX can't wait to welcome you to the ultimate fitness experience!

Vivenu IFrame

- Go to your Vivenu Seller backend
- Select the Event
- Go to Integration
- Select the first line of the Section IFrame

The screenshot shows the Vivenu Seller backend interface. On the left is a dark sidebar with the logo 'HYROX Denmark DKK' and a search bar. Below the search bar are navigation items: Home, Transaktionen, Events (highlighted), Gebühren Schemas, Tickets, Kunden, Purchase Intents, Rabatte, Produkte, Statistiken, Buchhaltung, Support, Einstellungen, Developer, and Marketing. The main content area is titled 'Auswertung' and contains a list of menu items: Tickets, Statistiken, Einstellungen, Informationen, Darstellung, Ticketkategorien, Verkauf, Daten & Personalisierung, Geheime Shops, Ticket Design, Gebühren, Tracking, and Individuell. The 'Integration' section is active, showing instructions to add code to the head of the page. It includes three code snippets: a basic script, a modal integration button, and an iFrame integration. The iFrame code snippet is highlighted with a red box. At the bottom, there are buttons for 'Speichern' and 'Aktionen öffnen', and a user profile icon for 'Selina Weißberger'.

Integration

Füge das folgende Code Snippet in den **head** Bereich deiner Seite ein. Mehr technische Information befindet sich in der Dokumentation für Entwickler

```
<script type="text/javascript" src="https://vivenu.com/web/deliver/js/v1/embed.js"></script>
```

Modal integration

Mit dem folgenden Integrations Skript öffnet sich der Ticket Shop als neues Fenster. Du kannst das Snippet auf fast alle Elemente deiner Website anpassen

```
